### **About us**

In 1957, the Bharatiya Vidya Bhavan conceived the idea of establishing an engineering college in Mumbai. It was on the 19<sup>th</sup> August 1962 that there was a huge gathering at the Bhavan's Campus in Andheri to inaugurate Sardar Patel College of Engineering (SPCE). In 1995 Self Financed Engineering Course were added to it and it functioned as SPCE (Unaided-wing) conducting Electronics Engineering, Computer Engineering and Information Technology courses and Masters course in Electronics since 2005 till 2008. These courses have earned a great reputation in the field of engineering education, as well as industry. Bharatiya Vidya Bhavan's Sardar Patel College of Engineering, Unaided Wing from year 2005-2006 was established in its new building under the name and style of Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology and is affiliated to Mumbai University. Subsequently Electronics and Telecommunication courses were started at graduate and post graduate level in the years 2006 and 2010 respectively.

### **About the Workshop**

Technical paper communicates the main ideas of your research. Whether experienced at writing papers or just beginning, it is always useful to have your memory refreshed on what constitutes a successful technical paper. Clearly, a successful paper is one that is accepted into a technical publication and then is read and referenced by others. To achieve this goal, S.P.I.T. has designed a workshop which will cover the basics of the technical paper writing to the tools used.
