About IASLIC

The IASLIC, acronym for the Indian Association of Special Libraries and Information Centres, was established on 3 September 1955 as a non-profit making national, professional body to:

- Promote the quality of Library and Information Services
- Coordinate the activities, and
- Foster mutual cooperation and assistance among the special libraries, scientific, technological and research institutions, learned societies, commercial organizations, industrial research establishments as well as centre of studies in social sciences and humanities
- Improve the technical efficiency of the professionals
- Act as a centre of research and studies in special librarianship and documentation techniques
- Act as a centre of information in scientific, technical and other related fields of LIS in pursuance of the aforesaid objects...

IASLIC maintains its headquarters at Kolkata in a small three storied building of its own.

About S.P.C.E. and S.P.I.T.

Sardar Patel College of Engineering under the management of the Bharatiya Vidya Bhavan, was founded by Kulapati Dr. K.M. Munshi and it was inaugurated by the first Prime Minister of Independent India, Pandit Jawaharlal Nehru in 1962. The college is dedicated to Sardar Vallabhbhai Patel, an eminent nation builder of independent India. The college is autonomous and affiliated to the University of Mumbai for full-time degree and post graduate degree courses. Over the last 49 years the college has gained an excellent reputation in the field of Technical Education. SPCE is one of the few colleges that have received Grade 'A+' rating for its aided courses from the Govt. of Maharashtra which certifies the spirit of excellence that the institute has symbolized and always practiced. An autonomous since 2011, Institute is celebrating its golden jubilee in the year 2012.

In 1995 Self Financed Engineering Course were added to it and it functioned as SPCE(Unaided-wing) conducting Electronics Engineering, Computer Engineering and Information Technology courses and Masters course in Electronics since 2005 till 2008.

These courses have earned a great reputation in the field of engineering education, as well as industry. Bharatiya Vidya Bhavan's Sardar Patel College of Engineering, Unaided Wing from year 2005-2006 was established in its new building under the name and style of Bharatiya Vidya Bhavan's **Sardar Patel Institute of Technology** and is affiliated to Mumbai University. Subsequently Electronics and Telecommunication and other professional courses were started at graduate and post graduate level also.
