

Sardar Patel Institute of Technology -Product Development Center
presents

MAKE-A-THON

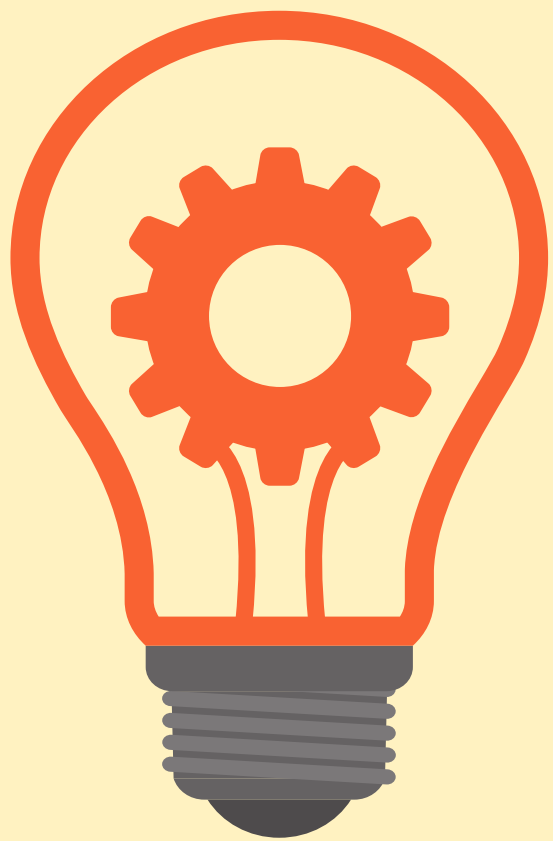

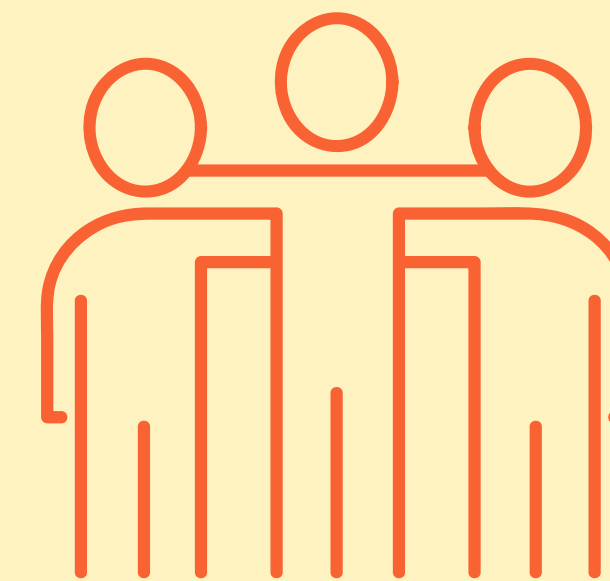

**A platform to encourage
students for embedded
system design to develop
industry level applications**

**21st -22nd
March**

SP-IT , ANDHERI
9:00AM - 9:00PM

How to participate?

- A team of maximum FOUR members
- Inter collegiate teams not allowed
- Inter-Branch teams are encouraged

Selection Criteria

Level 1 (12 Hour Hackathon)

Exploring the peripherals
Structured Programming
Approach

Code Complexity

Level 2 (12 Hour Hackathon)

Application Level Programming
Feasibility and Scalability
Uniqueness of Design

Grab a Chance to Win

- Exciting Cash Prizes 
- Startup and Incubation at SP-TBI & PDC and much more..

For more details

Visit : www.spit.ac.in or

MAKE-A-THON

SP- TBI

About us

SP-TBI is an incubation centre that supports daring Entrepreneurs and helps them in building great Technology Ventures of the future.

Objective

Our objective is to cultivate entrepreneurship, promote innovation and support daring entrepreneurs.

Platform

Details

- Participants have to use Arduino or Atmel Studio for code development
- Participants need to carry their own board having Atmega328P and peripherals for Level 1
- Indigenous microcontroller board with Atmega328P will be provided in Level 2
- Teams can carry their own laptop

SP- PDC

Vision and Mission

The vision and mission of this program revolves around the overall development of students in the sphere of innovation. The main aim is to instill a sense of creativity in sync with technical aspects. All in all, to harness invention and innovation.
