	5:00pm-7:00pm			DS	DS										
	6:00pm-8:00pm								SE						IOT

Instructions for the ESE examination: 1) Online examination will be conducted on MOODLE. 2) For the subjective type examinination, student will write answers on blank answer sheet/rule answer sheet. While writing answers, you have to switch on your meet google camera. 3) One day before the examination, the meet google link will be forwarded on your @spit.ac.in Email id . 4) At the time of ESE examination examinee will write UID number on every page of the answer sheet . 5) You can download any scanner app on your mobile which will properly scan the answer sheet. Students should do practice to scan at least 15 pages properly using the mobile scan app and upload it on moodle. Scanned documets should be visible to the examiner. 6) All should strictly follow the instructions given by the examiners on meet google, if any student switched off the camera during exam then strict action will be taken and his marks will be deducted corresponding to the period during which camera is not working.
