Department Report for Project Exhibition Nov. 2020 (Category I)

Date: 6th Nov, 2020

The Research and Development Committee organized a Project Exhibition Competition (for Category I) on 5th and 6th Nov, 2020. Competition was conducted at the departmental level for students of Information Technology Department in online mode. For evaluation purpose, videos of the project demonstration were created and uploaded on R&D SPIT Youtube Channel: https://www.youtube.com/channel/UC4u1YxHGg9loW80UOtMOcaw/featured. For this competition, 20 groups with 58 students participated. Prof. Jyoti Ramteke, Prof. Reeta Koshy and Prof. Abhijeet Salunke from Computer Engineering Department were the judges for this competition in the Information Technology Department. Evaluation of the Exhibition was done using assessment sheet given to the examiner by the R&D committee. One team was selected as winner from this competition which according to the judges was a good mix of research and product based solution to the problem chosen by the team. The details of the winning team are as under:

Group No.	UID	Student Name	Project Title
C1.3	2017140055	Harshit Singhania	Enabling Parallelism in Smart Contracts based Blockchain
	2017140028	Yash Muchhala	
	2017140052	Sahil Sheth	

Some photos of the event are given below.

The departmental coordinator would like to thank Dr. Radha Shankarmani (Dean, Q&A, IT), Dr. Prasenjit Bhavathankar (HOD, IT) and all the faculty members of the IT department for their enthusiasm and encouragement for making this event successful. Also, the departmental coordinator would like to specially thank Dr. Y. S. Rao, Dean R&D, SPIT for his continuous guidance and support.

Prof. Nikahat Mulla
Coordinator, R&D
IT, S.P.I.T.
