

**Date:** 2<sup>nd</sup> January 2022

## NOTICE

All students of F.Y. B. Tech classes are hereby informed that their classes will commence in Hybrid mode with effect from **4<sup>th</sup> January 2022**.

The SOP for attending the classes in physical mode (as per COVID-19 norms) is as follows:

- All students will ensure that they must be fully vaccinated.
- All students will follow appropriate COVID-19 norms such as wearing mask, maintaining physical distance, and sanitizing the hands at appropriate time.
- **Classes (lectures of all subjects and practical of select subjects, which are possible online) will be scheduled till 28<sup>th</sup> January 2022 in online mode.**
- Both, Lectures and practical will be delivered in person from 31<sup>st</sup> January 2022. Students will have option to attend the lectures in person or online. Whereas all laboratory sessions will be conducted in person only.
- Students who cannot attend the institute in person from 31<sup>st</sup> Jan 2022, due to valid reasons will be permitted to drop the lab courses/ lab component in the courses registered. These components will be covered in summer vacation.
- The students with **odd** numbered UCID will be present in **odd** numbered week and the **even** numbered students in the **even** numbered week physically. Those students present in **odd** numbered week (lectures and practical) physically, will attend the lectures in online mode in **even** numbered week. Students attending the classes (lectures and practical) physically in the **even** numbered week will attend the lectures in online mode in **odd** numbered week. This arrangement is applicable only for the courses where the class size exceeds 30.

Students are required to make their arrangement of travel/stay on their own to attend the classes as mentioned.

Students will have to take all care and follow covid norms scrupulously.
