

ABOUT SPIT

In 1957, the Bharatiya Vidya Bhavan conceived the idea of establishing an engineering college in Mumbai. Sardar Patel College of Engineering was inaugurated on 19th August 1962. In 1995 self-financed engineering courses were added to it and it functioned as Sardar Patel College of Engineering (Unaided-wing) conducting Electronics Engineering, Computer Engineering and Information Technology Courses and Masters course in Electronics since 2005 till 2008. These courses have earned a great reputation in the field of engineering education, as well as industry. Bharatiya Vidya Bhavan's Sardar Patel College of Engineering, Unaided Wing was established in its new building under the name and style of Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology since 2005 and is affiliated to Mumbai University. The college runs 5 undergraduate programmes, 2 postgraduate programmes and 2 Ph.D. courses.

ABOUT PROGRAM

This program is designed to equip aspiring engineers and faculties with the knowledge and skills to build the future of the internet. The workshops will cover a comprehensive range of topics, providing a strong foundation in internet engineering and standards principles. Following the workshops, participants will have the opportunity to apply their newfound knowledge in a thrilling hackathon.
