Institute Level (IL) / After CAP Admission Form Notice for 2026-27 (Institute Code: 03215)

All engineering aspirants, parents and stakeholders are hereby informed that since the State CET Cell has started inviting options for Institute Level quota (20% seats) admissions on their admission portal, we do not find any reasons to invite applications separately. Therefore, S.P.I.T. will not invite separate applications. Aspirants must register their interest towards Institute Level seats and vacancies after CAP on State CET Cell portal.

This decision is based on the current available information. It may change as per any directives from State CET Cell.
