Admission Notice 2026-27

(B.Tech. / MCA / M.Tech. / DSE students)

For the academic year 2026-27, the State CET Cell has facilitated aspirant students to apply for After CAP seats directly on the State CET Cell portal. Therefore, all stakeholders, parents, and students, are hereby informed that all students interested in admissions at S.P.I.T. against After CAP / Institute Level vacancies **must fill** the State CET Cell option form separately as per the State CET Cell schedule on the State CET Cell portal as a part of the application process for **B. Tech., MCA, M. Tech., and Direct Second Year** admissions.

Vacancies, if any, of all rounds conducted by State CET Cell will be filled on merit from the pool of candidates given to us by State CET Cell.

Note that for MCA, M. Tech., and Direct Second Year admissions, only After CAP vacancies are available. There is no Institute Level quota.

The detailed schedule for the admission process for the same will be available on our website shortly. The admission process will be conducted on premises at our institute.

A handwritten signature in blue ink, appearing to read 'S. Chaudhary', is written over a faint circular stamp.
